AGREEMENT

We want your pet's experience here to be pleasant and as enjoyable as possible. It is important to understand that some pets respond to grooming differently, even with the best efforts. We will make every effort to make their visit with us a positive experience.

Sometimes pre-existing conditions arise unforeseen to me, such as skin allergies, shampoo allergies, moles, clipper sensitivity, matting and tangles, fleas, fear, behavioral issues, bone or joint sensitivity, heart condition, seizures, etc. It is helpful that you, as the pet owner, inform me of anything that you are aware of prior to grooming.

Matted coats and excessive undercoats cause a variety of health problems for your pet. Matted fur does not allow for air circulation to the skin, causing hot spots, bacterial and fungal infections. Fleas, ticks and other parasites may be lurking in the coat causing further skin infections. Matted fur also pulls and binds, causing pain to your pet when they move or lay on their mats. The skin underneath can be raw and inflamed.

Severely matted coats will require a short clip. We will be happy to show you how to care for your pet's coat for the future, however, we cannot brush out a coat that is already severely matted due to the stress and the pain it will undoubtedly cause your pet. There is a chance that your pet's skin will become more irritated during this process. He/She may be nicked or cut because we have to work so closely to the skin to remove the coat. We are very careful, but the possibility is still there. We may be able to remove excessive undercoat within reason and tolerance of your pet.

I hereby release THE NAKED POODLE SALON & BOUTIQUE and groomer from any responsibility of the above mentioned process and any and all medical problems that may be uncovered and/or may occur during the grooming process.

Should my pet need veterinarian care during or after the process, I agree to pay any and all veterinarian fees for my pet's care.

The undersigned pet owner or representative agrees to hold harmless The Naked Poodle Salon & Boutique and its owner and or groomer, from any damage, loss or claims arising from any pre-existing condition and/or unrelated conditions of the undersigned's pet, either know or unknown to The Naked Poodle Salon & Boutique, without limitations.

In the event of an emergency, I authorize this establishment to obtain necessary treatment for my pet and agree to pay all such costs.

I have read the above policies and have discussed any concerns or questions with Cynthia Abbot, Owner, The Naked Poodle Salon & Boutique, Keiko Fukuzawa, Professional Pet Stylist or Danna Oxley, Professional Pet Stylist.
